

Parent consent form for use of swimmers images

At Stocksbridge Pentaqua we take the issue of child safety very seriously. This includes the use of photographs or digital images of swimmers in publications and on the club website which can be motivating for the swimmers involved. Therefore providing a good opportunity to promote the work of the club. However, the club has a duty of care towards our swimmers, which means that swimmers must remain unidentifiable, reducing the risk of inappropriate contact, if images are used in this way.

We ask that parents consent to Stocksbridge Pentaqua taking and using photographs and images of their children. We will never include the full name of the swimmer alongside an image.

Please complete, sign and return this form to **Stocksbridge Pentaqua**.
